

**YOUTH4**  
**CAPACITY**

**YECAP AGYLE Third  
Online Training Session on  
Capacity-building**

# ACTIVITY PILLARS

**1**

**Targeted virtual knowledge and skill enhancement events, webinars or training sessions**

**2**

**In person hands on capacity-building events**

**3**

**A Mentorship programme**

**4**

**Outreach channels**

# FOCUS

**Community-building** will be the overarching focus of all the activities through a bottom-up approach that will equip youth with the **soft and hard tools and skills** required to be community-builders, with a special focus on the **regional and sub-regional levels**.

# COLLABORATIONS

Implemented with a diverse range of suitable partners to boost impact

## Knowledge partners

For development of materials, sharing of resources, trainings, conducting action research, and development of mentorship programme

## Anchoring partners

For the co-creation and delivery of collaborative events at the UNFCCC Regional Climate Weeks and COPs, community-building, and implementation of the mentorship programme

## Outreach partners

For development of joint communication products and dissemination of outreach materials and resources
